

# KIDS KINGDOM CONVENT SCHOOL

*A prestigious Co-educational English Medium Sr. Sec. School*  
CBSE AFFILIATION NO-1630634, SCHOOL CODE 20870

No. 19322-19323 dated 7-8-2023

## **STUDENTS / PARENTS CIRCULAR**

There is hardly anyone who does know about AAKASH institute – a well-known number one institute at present giving coaching for Engineering and Medical entrance right from 8<sup>th</sup> std. Many of students of our school and other neighbouring schools are joining AAKASH classes in out stationed cities which not only risky but also costly for parents. To solve this problem, the school authorities contacted AAKASH management and it is matter of joy for all of us that they have agreed to join hands with KKCS in coming session. For same, students have to show their potential through a written exam to be conducted by AAKASH in the name of AAKASH NATIONAL TALENT HUNT EXAM which will be in offline mode and would be conducted in KKCS itself for students of 7<sup>th</sup> to 12<sup>th</sup> grade in the month of October 2023 (exact date yet to be announced). AAKASH NATIONAL TALENT HUNT EXAM is the largest scholarship test and student can earn 100% rebate as scholarship by doing excellence in this test. Further the school will prepare students not only for JEE or NEET but also for board exams and other competitive scholarship exams such as NTSE / Olympiads.

The school has played its roll in getting agreed AAKASH institute to join hands with KKCS, now it is the turn of parents to motivate their kids to take part in this exam and then turn of students to give a good performance in this Talent Hunt Exam, because the number of students and their performance will decide the fate of collaboration with AAKASH.

The details like date, day, time, venue and syllabus of ANTHE (Aakash National Talent Hunt Exam 2023) will be shared soon. Registration of children has already started by depositing Rs. 100 at school fee counter and the last date for same is 25<sup>th</sup> August 2023.

Dear parents, it is an opportunity for our children that such a big named / famed institute is ready to provide their services in KKCS in such a small city (no one can ever think of same), so please join us in taking the first step for our would-be engineers, doctors and officers such as civil servants in other state / central services.

Your cooperation and faith in the mission of Managing Committee of KKCS will set the clear target of the child and they will move on the path of their progress with confidence and clear-cut determination.

Thanking you

Principal, KKCS
