

IMPORTANT NOTICE for CLASSES GRADE-III to X

DEAR PARENTS,

Greetings of the day!

Date sheet for PT-I Exams stands shared in WhatsApp groups, as well as displayed on school website. This time we have cut short the process and time period of conducting PT-I because of the reason that due to frequent holidays as announced by Punjab Govt. , a handful time has been wasted and we are feeling short of time to complete the syllabus and achieve the desired level of studies. It is expected against 242 /243 proposed working days , the same will be reduced to some 215-220 and this it will be quite difficult to manage study of these shortfall of 20-25 days, so we have proposed to conduct PT-I as class tests during normal working hours of tour , papers will be for 20 minutes and duration will be 40-50 minutes. So kindly avoid any discussion / demand of preparatory days between two papers.
