

PARENTS CIRCULAR

DATED 8-10-2026

DEAR PARENTS,

GREETINGS OF THE DAY!

I am to inform you that due to significant increase in diesel prices from April 2026 to September 2026, we are forced to increase the conveyance rate at the possible minimum so as to make transportation viable. For every academic year, we review the transportation rates twice a year. So as per past practice, it was decided to review the transportation rates for 2nd half of current academic year. The diesel rates in Punjab in April 2026 were ₹ 87.92 per litre whereas present rates are ₹ 95 47 per litre, so almost ₹ 8.0 per litre and so accordingly it has been decided that for 5 km journey average 50 rupees per quarter be increased to compensate this increase. These rates will be applicable till March 2027. The new rates applicable for 3rd and 4th quarter will be as under :-

Sr. No.	Range	Old Charges per quarter	New Charges per quarter	Increase per quarter
1	0-5 kms	₹ 2850	₹ 2900	₹ 50
2	> 5-7.5 kms	₹ 3600	₹ 3675	₹ 75
3	> 7.5-10 kms	₹ 4200	₹ 4300	₹ 100
4	> 10-15 kms	₹ 4650	₹ 4800	₹ 150
5	> 15-20 kms	₹ 4950	₹ 5150	₹ 200
6	> 20-25 kms	₹ 5250	₹ 5500	₹ 250
7	> 25-30 kms	₹ 5550	₹ 5850	₹ 300

We, do hope that you will appreciate this slight minimum increase and will co-operate with management.
